We Are Better Together

Our broad partner ecosystem covers all major business verticals, helping to meet customers' unique needs by connecting them to industry-leading providers around the world.

"Our partnership is actually invaluable. UKG is just as concerned with our success as we are with theirs, which makes for an environment that is always elevating and pushing for excellence. It's the most fun I've ever had working with a partner!"

— Erica Carter, Director, Marketing & Customer Success

"The UKG partner program is a success for partners and customers. As a partner, we have seen firsthand how UKG works to connect partners with the UKG team in the field — and customers — to develop a high level of awareness. This collaboration has resulted in growth and success that has exceeded our expectations, and it has enhanced the customer experience and customer journey for many employers."

— Ezra Schneier, Corporate Development Officer

"Our strategic partnership with UKG creates tremendous value for HUB International and our clients alike. Collaboration with UKG helps us to bring a unique value proposition to the market, allowing us to win new business by leveraging the UKG brand, product, and values that directly align with our own. A calculated go-to-market strategy, coupled with strategic, tactical service delivery, creates a recipe for success that continues to produce year-over-year revenue growth."

— Bob Halvorsen, VP, Channel Alliances

"Our partnership with UKG consistently generates more leads than we can handle, eliminating our lead generation costs. When leads do reach us, they are highly qualified and lead to many closed deals. The partner team, including our Alliances Manager, Marketing, and Technical teams are deeply engaged and proactive in ensuring our joint success. We could not be happier with the UKG partner program, and it has proven to be the best investment we have made in recent years."

— Alan Tonnesen, CEO

"HCL is a proud partner of UKG. As a partner of both Kronos and Ultimate Software previously, we have received tremendous value from a unified partner program. We look forward to a continued strong partnership with UKG that provides value and expertise to our clients."

— **David Brannan**, Associate Vice President

"The UKG Strategic Alliance team has been critical to delivering meaningful support to our mutual clients. By receiving their guidance on best practices and client perspective, we are delivering with greater ease and convenience to employers."

— **Kevin McFadden**, Director, Premier Technology Relationships

"Jubilant has been 100% dedicated to UKG since our inception. We made that commitment, and we will continue to align with UKG as our software partner because of their "Our Purpose is People" mission. As a Professional Services Consulting partner, we believe that communication, collaboration, and support are critical in working together to establish meaningful relationships with our collective customers, and that is what we experience with UKG on a daily basis!"

— **Tim Force**, CEO

"The partner program is invaluable to our success. Since EPI-USE supports UKG customers in EMEA, APAC, LATAM, and North America, having direct access to the latest updates, industry best practices, and trends means we can support our clients quickly and effectively. I feel very supported by the entire UKG partner team and absolutely love having the foundation of the entire UKG team behind us."

— **Amy Doughten**, VP, UKG Services

"Our strategic partnership with UKG is very exciting and exceptionally timely as companies are having to reimagine their workforce management strategies and approaches across the board. Accenture and UKG's collaboration is ideally positioned to help organizations establish more adaptive workforce operating models, bringing data-driven solutions together with excellent implementation and migration services. Together, we bring incredible value and innovation to the marketplace."

— **David Shaw**, Senior Managing Director – Talent & Organization, HR Transformation & Delivery Co-lead, UKG Lead
