

FAQ: Data transfers in connection with UKG Dimensions, Hosted Workforce Central, and HRSD

Version: March 14, 2022

Note: while the information in this FAQ is generally applicable to UKG Dimensions and Workforce Central, it is intended to answer common questions from UKG’s Europe-based customers.

	UKG Dimensions	Hosted Workforce Central	HRSD
<p>1. Does UKG have an official statement on Schrems II?</p>	<p>Yes. UKG has a Schrems II Statement (March 14, 2022):</p> <p>Note that UKG products and services are subject to rigorous security requirements as is further described in the due diligence package applicable to each. UKG’s products and services also comply with ISAE3402/SSAE 18 AICPA Trust Principles for Security, Confidentiality and, depending on the application, ISO 27001, 27017, and 27018.</p>		
<p>2. Can UKG guarantee that data is hosted / stored / processed in EU only?</p>	<p>No. Processing outside of the EU may occur in the following scenarios:</p> <ol style="list-style-type: none"> 1. UKG support delivery 2. UKG cloud security monitoring (however, UKG database administrators generally do not have reason to access customer data) 3. Hosted Workforce Central: in connection with either Workforce Central subprocessors (and their own subprocessors where applicable). HRSD: in connection with HRSD subprocessors (and their own subprocessors where applicable). Dimensions: in connection with Google/cloud hosting (e.g., Google monitoring for compliance with AUP; Google’s provision of service support, which does not have geographic limitations but, in most cases, Google has to notify UKG in advance about any such access) and in connection with other Dimensions subprocessors (and their own subprocessors where applicable) 4. However, note that the co-location service provider is not processing personal data 5. In connection with UKG professional services/implementation operations

3. Can UKG confirm the locations of the data centres?	This is selected by the customer on the applicable Order Form. If the customer selects "Europe" then customer data is stored in Europe-West3 (Germany) and Europe-West 4 (Netherlands).	In Europe, Workforce Central is hosted in Equinix data centres in Germany and Netherlands.	For HRSD, the locations include (by vendor): <ul style="list-style-type: none"> - Rackspace (Germany) - Eritel (France) Further information is available here .
4. Is any data transferred to the locations of the service support centres?	Yes. Support and/or cloud maintenance team locations for UKG Dimensions currently include the following locations: <ol style="list-style-type: none"> 1. United States 2. Canada 3. UK 4. Australia 5. India The above are intra-company transfers.		Support for HRSD currently includes the following locations: <ol style="list-style-type: none"> 1. United States 2. Singapore 3. India The above are intra-company transfers.
Has UKG made a Data Transfer Impact Assessment (DTIA) with respect to the countries to which it transfers personal data?	<p>UKG has updated its Data Processing Agreement to include the Standard Contractual Clauses pursuant to Regulation (EU) 2016/679.</p> <p>In addition, UKG's Transfer Risk and Impact Assessment is publicly available.</p> <p>Based on its assessments, UKG has determined that it can proceed with the transfer of EEA personal data to countries outside of the EEA. UKG's transfers of EEA personal data to countries outside of the EEA are subject to the SCCs, which impose obligations intended to ensure EEA personal data transferred is afforded a level of protection that is essentially equivalent to that guaranteed by the data protection laws of the EEA and/or the United Kingdom. Furthermore, UKG has no reason to believe that any laws that exist in the non-EEA countries to which it transfers personal data will be interpreted and/or applied in practice to cover UKG's transfer of EEA personal data to those countries.</p>		

5. What is UKG's position in connection with rights that governmental agencies may have to require UKG to hand over data?

UKG includes the following contractual assurances:

12.1 UKG shall maintain the following additional safeguards with respect to Customer Personal Data that is transferred pursuant to the Standard Contractual Clauses:

12.1.1 UKG agrees to notify Customer of any request from law enforcement authority or other governmental authority with competent authority and jurisdiction over UKG for disclosure of Customer Personal Data processed under this DPA ("Disclosure Request") to the extent permitted by applicable law. UKG shall not respond to Disclosure Requests without notifying Customer and receiving written authorization from Customer to respond to such Disclosure Request, except as required under applicable law or order of court or governmental authority with competent authority and jurisdiction over same;

12.1.2 In the event UKG receives a Disclosure Request for disclosure of Customer Personal Data processed under this DPA and Data Processor is not legally permitted to notify Customer of the Disclosure Request, UKG agrees to take reasonable legal actions against the disclosure of the Customer Personal Data and to refrain from disclosure of the Customer Personal Data to the respective authorities until a court of competent jurisdiction orders UKG to disclose such Customer Personal Data. In such event, UKG agrees to provide the minimum amount of information required when responding to the Disclosure Request, based on UKG's reasonable interpretation of the Disclosure Request.

[UKG's Transfer Risk and Impact Assessment](#) is available to assist Customer in carrying out its own transfer impact assessment related to Customer's use of the Services.
