

Time

Streamline time tracking with **consistent, fair rules.**

UKG Ready™ Time (formerly Kronos Workforce Ready® Time Keeping) enables organizations to simplify and automate routine tasks, including approving timesheets, correcting exceptions, responding to time-off requests, and managing schedules with flexible workflows. A robust pay calculation engine, automated notifications, configurable reports, and real-time access to accurate time information help you minimize compliance risk.

Consistent, Fair Rules

With UKG Ready Time, our robust pay calculation engine provides a comprehensive set of rules to easily model your current policies and align with federal and state regulations. This ensures your policies are enforced consistently and fairly across all your employees, minimizing compliance risk.

Accurate Data Capture

Collect data from a variety of sources, including timeclocks, telephony, web entry, and mobile. Whether you have a dispersed workforce or all employees in one location, you can mix and match how you collect data based on your organization's needs.

Real-Time Visibility

An easy-to-use, configurable dashboard allows managers to track key data and perform common tasks on one screen, driving more-informed decision making. Automated notifications and alerts provide additional visibility into actions that need to be taken in order to align with operational goals.
